SPLASHTACULAR®

Waterslides and Waterpark Attractions

Racing is more thrilling when it's neck and neck. Traxx® is an indoor or outdoor multi-lane racing slide available in pairs of two lanes that take waterslide racing to a competitive level like never before. All ages race in real-time against one another, always within eye and earshot of the other racer(s). When it's interactivity guests want and the versatility of a mat racer slide or conventional body slide you need, Traxx® delivers.
