

Raft Slides & Tube Slides

SPLASHTACULAR®

Waterslides and Waterpark Attractions

Designed for a Thrilling and Smooth Ride

Our raft and tube slides offer a thrilling and smooth ride with twists, turns and drops for a unique, exhilarating experience for all ages. Inner tubes, rafts and mats are as essential to waterparks as water. Plus, they offer your guests so many entertainment options, from single ridership and riding with friends to racing down the slide. The excitement really heats up when you customize them to a theme, add translucent effects, timing systems, lighting and music. The possibilities are nearly endless.
